

Project Match for Young Makers

Some Young Makers start the program with an idea of what they want to make, and others just want to make something, and don't have a specific idea as they begin. If you know now what you would like to make over the next few months, and exhibit publicly, please fill out the **Project Proposal Form**. Otherwise, fill out this form so we can get an idea of what kind of project you might be interested in.

Name _____ Age _____ Grade level _____

Address _____

Home Phone _____ Mobile Phone _____

Email address _____

Parent names(s), phone(s), and email(s) _____

Have you ever participated in a Maker Program before? If so, which ones?

These are some of the content areas for projects in Maker programs. Circle the ones that you wouldn't mind incorporating in your project. (You may also cross out anything that you know you do not want to do.)

Alternative Energy	Crafts	Hacking	Photography	Technology
Animation	Dance	Halloween / Horror	Physics	Tesla Coils
Arduino & Kits	Electronics	Humor	Printmaking	Toys
Art Cars	Farming	Kites	Programming	Transportation
Architecture	Fashion	Knitting	Recycling	Vehicles
Arts	Fire Arts	Lights / Glowing	Robots	Video
Astronomy / Space	Flight	Mathematics	Rockets	Water
Bicycles	Food / Cooking	Mechanics	Rube Goldberg	Weather
Biology	Gaming	Microcontrollers	Sewing	Wind
Chemistry	Gardening	Music	Social Media	Wearables
Circuit Boards	GPS	Musical Instruments	Spying/Surveillance	Wireless
Construction Kits	Graphic Design	Papercraft	Sustainable Living	Woodworking

About how much time do you hope to spend on your project? (You can estimate per week / per month / total)

(Optional) On the back, please tell us what makes you a Young Maker or want to be a Young Maker. You can tell us about your interests or projects you've completed, or both.
